SUMMARY

Motivated fresh graduate web developer with a degree from MTI University and extensive hands-on experience in web development. I completed impactful internships at ITSharks, Bank Misr, and Creative Basket, which culminated in a successful transition to a full-time role at Creative Basket. Demonstrated expertise in building and optimizing web applications, integrating APIs, and improving overall website performance. I have successfully completed my one-year military service commitment. Committed to continuous learning and poised for further professional growth.

PROFESSIONAL EXPERIENCE

Creative Basket

Web Developer | 07 to / 2023 - 01 / 2024 | FullTime

Created a new website from scratch to integrate company YouTube channel videos into this website.

Developed and enhanced the performance of an existing travel management website by adding new features, significantly improving the user experience.

Collaborated with cross-functional teams to engineer seamless integration of various third-party APIs, efficiently calling endpoints while ensuring clean, maintainable React.js codes.

Creative Basket
